

黑猫Bar

The text "黑猫Bar" is rendered in a white, elegant serif font against a black background. The characters "黑" and "猫" are large and prominent, while "Bar" is in a smaller, classic serif typeface. The text is embellished with three stylized roses and a flowing vine. One rose is positioned to the left of the "黑" character, another is below the "猫" character, and a third is above the "B" in "Bar". A thin, white vine with small loops and curls weaves through the roses and under the text.
